

Subject: Speaker Invitation | AWS Student Builder Group at [University Name]

Hi [SPEAKER NAME],

My name is [NAME], and I'm a Student Builder Group Leader for the AWS Student Builder Group at [UNIVERSITY NAME]. We're a community of students passionate about cloud computing, AI, and building with AWS technologies. We host regular events and workshops to help members develop hands-on skills and grow their careers in tech.

We'd be honored to have you join us as a guest speaker at our upcoming [EVENT NAME] on [DATE]. The session will focus on [TOPIC], and we believe your expertise would be incredibly valuable to our members.

Event details:

- Format: [Online / In-person]
- Date & Time: [Date and Time]
- Location: [Venue or platform link]
- Expected audience: [Number] students ranging from beginners to experienced builders

Please let me know if you're interested. I'd be happy to discuss timing, format, or any other details. For more information about our group, visit: <https://community.aws/buildergroups>

Thank you for your consideration!

Best,

[NAME]
